

Evervue Zepp Remote

General Description

With its Voice Control feature and QWERTY keyboard, The Zepp Remote provides the ultimate TV experience. The Zepp Remote is rechargeable and eliminates the need to change batteries again.

Features:

- 2.4G Wireless, USB Receiver, Plug and Play
- 360-degree non-directional Remote Control
- Air Mouse, Anti-shake algorithm.
- Wireless QWERTY keyboard.
- Compatible OS; Windows MAC OS, Android, Linux.
- Devices: PC, Smart TV, Set-top-box.
- Network Media Player, Tablet, Game Player and many more.

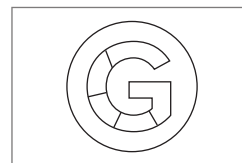

Pairing:

- 1) Press the mouse/microphone button for 5 seconds to power up the remote.
- 2) Press the mouse/microphone button to enable or disable the mouse cursor on the screen.
- 3) When using the microphone, press the mouse/microphone button and wait for the light above the button to blink before speaking. Keep pressing the mouse/microphone button while you speak.

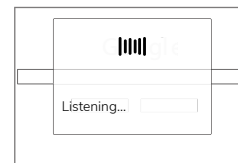

How To Install Google Assistant

Open Google Play Store and search for "Google Assistant".

Download Google Assistant. Once finished downloading, tap the icon on the home screen.

Control the app with either your voice or the keyboard on the remote

Note: The Google Assistant Feature is only available for newer version android boxes.

Hibernation

The Zepp remote will turn into "Hibernation Mode" when it stays still for 20 seconds. Press any button to wake up the remote.
